# NEW ROADS

Buying a new vehicle is truly an exciting time. But, as usual, there may be bumps in the road... literally. Road hazards can pop up occasionally, like potholes, nails, debris and other items that are not supposed to be in the roadway.

Even the most alert drivers encounter these risks from time to time. And repairing or replacing a tire or wheel on most modern vehicles can be very expensive, break your monthly budget, and reduce your vehicle's resale value.

Fortunately, there's a way to protect your vehicle with MBPI's Tire and Wheel protection.

With this coverage, you'll get:

- Protection from potholes and other road hazards
- Curb damage repair
- Optional cosmetic repair (alloy wheels only)

AWAIT

Added bonus? There's no deductible!  
Plus, the Tire and Wheel plan provides you with 24-hour emergency roadside assistance, covering:

- Towing
- Battery service
- Flat tire change
- Lockout service
- Fluids delivery

Also, get substitute transportation reimbursement and trip-interruption protection (for when you're more than 100 miles from home).

Protect your new vehicle, and your budget, with a Tire and Wheel plan from MBPI.
